Who We Are

The Micro and Small Enterprise Authority (MSEA) is a state corporation established under the Micro and Small Enterprise Act No.55 of 2012. The mandate of the Authority is to Coordinate,

Facilitate and Implement the integration of various public and private sector initiatives for the promotion, development and regulation of the micro and small enterprises in Kenya to become key industries.

Biashara Centre is a one stop shop located at Kariobangi MSEA centre of excellence for entrepreneurs to access government services in the entrepreneurship ecosystems.

We address the challenges & constraints that MSME'S face while trying to obtain services offered by various key ministries, departments & agencies i.e. Market information, technology, standardization & financial support.

Service Providers
